

Submitting Samples for Fecal Egg Counts

To submit a sample:

Collect 2 (ONLY!) FRESH (24 hour) fecal balls from the horse(s) you wish sampled. Place in a plastic bag and seal. Keep the sample cool (not frozen/ not on the dashboard of your car!) and submit on Tuesday (8AM to noon) or by 10 AM WED at the Sierra Equine office. Please call before bringing in....we can only do about 30 a day! We perform Fecal Monitoring in May and October for Sierra Equine clients. We can submit samples to an outside lab anytime (\$30.00).

- ✓ Write horse's name and your last name on the bag
- ✓ When you bring the sample to the office, you will fill out the following information for each sample.
- ✓ Payment at time of sample submission.
- ✓ We will call you with results/recommendations
